Several members played in Colorado Springs Co. Susan Laws was also in Colorado Springs visiting family and scored tickets to a concert to see Bonnie Raitt.

The Boo-tiful crew has been planting pansies at number 16 flowerbed and number 7 flowerbed. Seems there was a visit from a witch and ghost overseeing the work and making sure it looked good. Thanks to Mary Virginia Casper, Joan Meyer and Mary Russell for volunteering their time to help with the planting.

October has been a busy month and hope everyone has enjoyed the beautiful weather and cooler temperatures.

**COME PLAY

AMAZING COURSE**

Our LGA "garden elves" continue to maintain the Club's coveted "Bettye George Memorial" flower bed on #16. Their creativity also traveled over to the tee box on # 7 as they get ready to welcome all participants in the Annual La Di Da. Thank you, Ladies for your willingness to give of your time to enhance the beauty of our golf course!
