Ben's Golf News

By Ben Burns, PGA Head Pro

It's time to get the new year started. As you know this year, we will be under construction for the golf course. Just to let you know we will be setting up tee times at other golf courses starting in April. My goal is always to get you the best rate, hopefully cart fees. I cannot promise this, but it is my goal. All tee times must be done through us here in the pro shop.

We have also planned for this time a new way to use the driving range. The range will be open until 4:00PM every day. Then starting at that time, we will have a short course laid out to play. It will be great for our juniors and any of our other members that would like to come do some work on your game.

Golf Performance Center Simulator: Don't forget about the simulator with Trackman. There are pictures that show you the simulator room. Here are some of the details: you can play golf or work on your game. Playing golf includes over 100 courses and games.

Believe me, this is so much fun. You are going to love this; it is very realistic. For some of you this will be the greatest thing going, once you hit the green there is no putting. It gives you a one-putt or two-putt or even a three-putt depending on how close you are to the hole. Rental for an hour is \$40. If you have 4 people for an hour that's only \$10 per player. If you go past that hour time it is \$10 for every hour added on. The time system is just like getting a tee time to play, you must call the pro shop or email me. We have amazing plans for this, if you have clients you want to entertain, we even have Food and Beverage service. If you have questions, please contact me.

Pickleball Posts

Cold temperatures and 25 mph winds did not damper the ribbon cutting ceremony Saturday, February 17th as we celebrated the opening of our new pickleball courts. Thank you to our Pickleball Committee members Amy Allen, Leslie Morales, Hannah Haney, Misty Zeleskey, Julie Barrett, Mallory Hughes and Connie Kennedy for their dedication in supporting this project from start to finish. We'd like to thank Crystal, Karen, Angie, Ben, Cory and Marlaina on our Crown Colony management team who put in a lot of time handling the back office requirements for this project. An additional acknowledgment goes to our maintenance department, Rusty and Matthew, for all of their valuable assistance. Presently we have a mixed doubles league on Tuesday evening and a ladies league on Wednesday evening. We will keep everyone informed through email broadcasts as other league options or clinics become available. To reserve a court please call the Pro Shop during office hours. Please share any suggestions you have with any of the Pickleball Committee members or the Pro Shop. Hope to see you on the courts soon!
