# BEN'S GOLF NEWS

## Exciting News

The greens have been sprigged. The front nine greens have been mowed once. This is not to say that we will be putting on them soon. It is to say we are still working towards that November date to open.

Traps on the course are the next thing they have been working on. If you have not driven around the course lately, great progress is being made. If you do go out, the bridges for number 2 and 5 should not be driven across. They will be completed in the future.

## Pickleball Players

### Courts Schedule

Monday Mens League: 6PM to 9PM  
Tuesday Mixed Doubles: 6PM to 9PM  
Wednesday Ladies League: 6PM to 9PM  
All courts are reserved for the league during these times.

If you want a court at any other time you must reserve that thru the Pro Shop.  
Reservations will take precedent over any walk ups.

*Thank you for your participation.*

## Driving Range:

As you will see there is work being done at the far end of the range. Berms are being shaped to try and keep balls from running into the creek at the far end. So, we are making the range currently for no shots over 200 yards. There is a blue pole that should make you aware not to hit anything past this. Thank you

## Simulator:

If you want to use the simulator, please contact me in the pro shop. You can also email me at: [benburns@crown-colony.com](mailto:benburns@crown-colony.com).

## Demo Day:

We had a Callaway Fit Day, August 23. This was the first day the new Apex irons and Opus wedges were available to hit. If you missed this, get in touch with us here in the pro shop. We have all the fitting tools to get you taken care of.

## Courses you can play.

Many of you have been taking advantage of the courses we have available for you. We have one more that I think you would love to play. Thanks to Jon Shipley we now have access to Champions. The cost is \$100 per member. You must go through the pro shop here. Listed below are the other courses we can get you on also.

Cascades, Eagles Bluff, Hollytree, Rayburn and Willowbrook will all be doing cart fees for our members. The fee is from \$25 to \$40 depending on the course.

Don't forget if you want all of the current info going on at the club there are several ways you can keep up with us: leisure online [www.crown-colony.com](http://www.crown-colony.com), you can follow us on Twitter @Nikeproben, Instagram is nikeproben and on Facebook you can like us at Crown Colony Golf & Pro Shop. Last way is to go to [www.benburns-pga.com](http://www.benburns-pga.com); this is my personal website that has all of the current golf info you need. All you have to do is go to this website and sign up. If you ever have any questions or need any help you can email at [benburns@crown-colony.com](mailto:benburns@crown-colony.com).
