Crown Colony
COUNTRY CLUB

Dear Members,

Fall is here, and with the cooler weather right around the corner, there is no better time to be out on the golf course! It's truly one of the best times of the year to play, so grab your clubs, invite friends and family, and enjoy everything Crown Colony has to offer.

If you're looking to share the experience with out-of-town guests, don't forget that our villa accommodations are available to make their visit even more enjoyable. A round of golf, great company, and a convenient stay on property is a winning combination. For more details or to reserve a villa, please reach out to the golf shop and we'll be glad to assist.

Looking ahead, please mark your calendars for one of the most exciting weekends of the year. Our Men's Club Championship and Junior Club Championship will be held on November 8th and 9th. These events are a highlight of our golf calendar, showcasing competition, camaraderie, and plenty of fun. We hope to see strong participation and encourage everyone to come out and support these great traditions.

Lastly, while the course is in excellent condition, it takes all of us to keep it that way. Please continue to do your part by repairing ball marks, replacing divots, and following cart traffic signs and rules. These small actions make a big difference in ensuring that every member and guest enjoys the best possible playing conditions. It's going to be a fantastic fall season at Crown Colony, and I look forward to seeing you on the course enjoying the game we all love! See you at the Club!
