Pickleball Instruction with Randy Lewis

My name is Randy Lewis, and I am a 4.0-rated pickleball player with a passion for helping others improve their game. I have been playing for over seven years and began offering lessons in June of last year. One of the most rewarding parts of teaching is seeing players grow in confidence and skill on the court.

In 2024, I competed in several tournaments, earning four first-place finishes and three second-place finishes. Whether you're just getting started or looking to refine your strategy and consistency, I would love to help take your game to the next level.

If you're interested in lessons, please sign up through Cory, and we'll get you scheduled.

Director of Golf News

Dear Members,

Spring is here, the weather is beautiful, and there is no better time to get out and enjoy your Club! The course is in great shape, and we have a full calendar of events to help you make the most of this fantastic time of year at Crown Colony. We'll kick things off with our first Vendor Demo Day on April 4th from 10:00 a.m. – 2:00 p.m.. This is a great opportunity to try out the latest technology from top manufacturers and get properly fit for your game. As always, we will be offering the best pricing you'll find anywhere, so don't miss your chance to upgrade your equipment for the season.

Our next "Road to the Royal Derby" event will take place on April 18th with an Individual Quota Tournament. This format gives players of all skill levels a great chance to compete. Be sure to sign up and continue earning points toward the Royal Derby Shootout later this year.

We're also excited to host our next Sip & Swing Ladies Event on April 26th at 2:30 p.m.. These events continue to grow and are a fantastic way to enjoy the game in a fun and relaxed setting.

To round out the month, don't forget to sign up for Tee Up for Hospice on April 30th. This is always a meaningful and well supported event, and we look forward to another great turnout.

A quick reminder that cart stickers for approved private carts are now available for pickup in the golf shop. Please stop by to pick yours up so your cart is current for 2026. For those without a private cart, we also offer monthly cart plans if you're looking for a more convenient option than paying per round. Our plans are:

\$180/month – Individual

\$300/month – Individual + 1

\$400/month – Family

If you're interested in signing up or learning more, please come see me in the golf shop.

Let's take advantage of this beautiful weather and have a great start to spring at the Club. I look forward to seeing everyone out on the course!

Sincerely,

Jeremy Ice
